Simplifying Prior Learning for Oklahoma Students

Oklahoma's one-stop website for students to determine how their previous college credit for prior learning can help them towards degree completion.

I HAVE...

Earned
**College
Credits**

and want to
complete a
degree program.

Completed a
**Career
Technology
Center**

program connected
to a Cooperative
Agreement at a
college.

Completed
**Military Study
And Training**

with a branch
of the Armed
Services.

Earned an
**Industry
Credential**

And/or would like
to **test out** of a
college course.

I have earned College Credits and want to complete a degree program.

Course Equivalency Project

What is the CEP?

A database containing faculty-generated course equivalencies for Oklahoma institutions.

48 disciplines

8,072 courses

Who Participates?

Public institutions and HLC accredited private institutions.

How does the CEP Benefit Students?

Gives students the ability to see where their courses will transfer or where they can take a specific course to bring back to their home institution. Ultimately, saving them time and money on their journey to degree completion.

[Visit the State Regents' website](#) for more information on the CEP.

Improving our future by degrees

Course Transfer Module

This Course Transfer Module tool is a helpful database that allows you to search for courses that are transferable among Oklahoma public colleges and universities (as well as some private institutions).

If you need to take a course that is not being offered by your institution or being offered at a convenient time, use the "Where can I take a course?" tool. If you have taken a course and would like to see how it transfers to another Oklahoma institution, use the "Where will my course transfer?" tool.

Disclaimer: This tool is used for informational purposes only. Students are strongly encouraged to meet with an academic advisor at their current and prospective institution to verify acceptance and applicability of course for the program of study.

Cooperative Agreement Program Inventory

This inventory is a list of agreements between an institution and a career technology center for credit for courses taken at the technology center.

 **Cooperative Agreements**

Search for:

Tech Center Courses Approved for Transfer

This inventory includes a list of career technology programs and courses that have been approved for transfer into specific college programs and courses.

 **Transferable Courses**

A **Contractual Arrangement** is typically one in which an institution enters an arrangement for receipt of courses or programs or portions of courses or programs (i.e., clinical training internships, etc.) delivered by another institution, service provider, or entity.

An institution may enter into a contractual arrangement with a technology center or other entity for receipt of courses they do not offer on their own campus.

- Institution must employ qualified full-time faculty that will oversee the courses.

CONTRACTUAL ARRANGEMENT PROCEDURE PROCESS:

STEP	ACTION
1	<ul style="list-style-type: none">• Create a contact with a technology center. <i>(Instruction must be overseen by qualified college faculty)</i>
2	<ul style="list-style-type: none">• Fill out the contractual arrangement section (A) on the cooperative agreement forms.• Receive governing board approval and all required signatures.• Submit forms and required attachments* to the chancellor.
3	<ul style="list-style-type: none">• State Regents staff will process the request and send it to the State Regents for approval.
4	<ul style="list-style-type: none">• If approved the arrangement(s) will be listed on the statewide inventory. <i>(Institution must notify and/or receive HLC approval.)</i>

Attachments:

- 1) Institution syllabi,
- 2) Technology center syllabi,
- 3) Degree sheet,
- 4) Institution vitae, resume, and certification,
- 5) Technology center vitae, resume, and certifications,
- 6) An MOU or contract between the college and contractual entity.

Tech Center Courses Approved for Transfer

Students who successfully complete Oklahoma Technology Center courses and/or programs listed on the Statewide Technical Course Articulation Matrix may earn college credit in approved technical courses.

An institution may enter into a cooperative agreement to accept transfer courses from technology centers via a Statewide Articulation Agreement.

- The institution must have an equivalent course on their campus.
- Courses have to be reviewed by qualified full-time higher education faculty and deemed equivalent.
- Only applicable toward a college technical certificate, associate in applied science, or a technology baccalaureate.

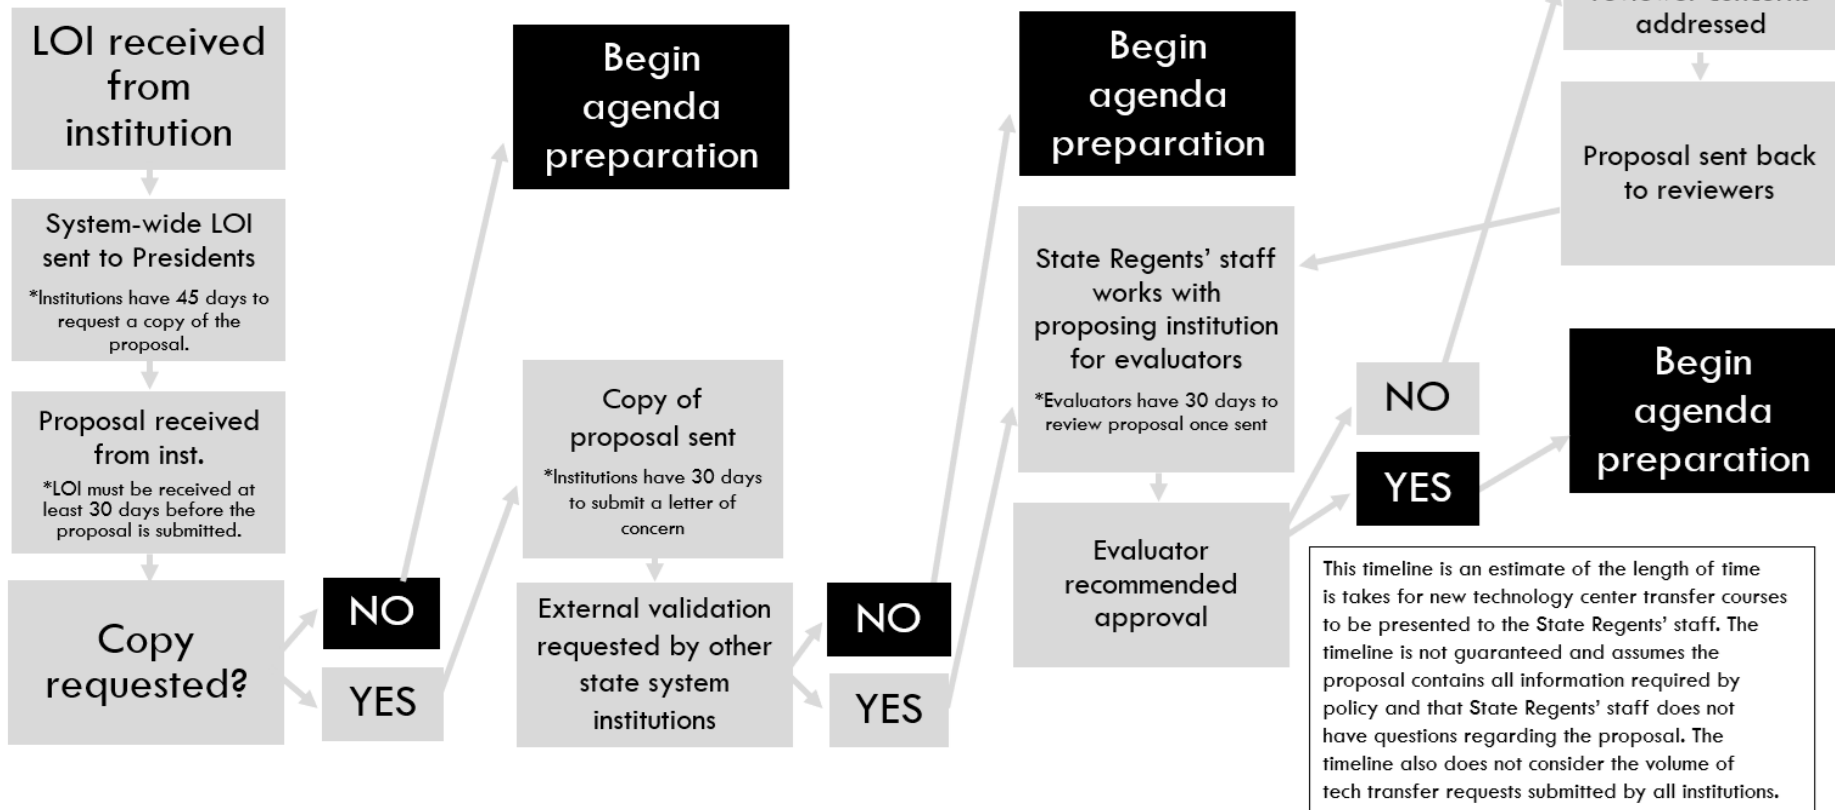

TECH TRANSFER PROCEDURE PROCESS:

STEP	ACTION
1	<ul style="list-style-type: none">• Submit letter of intent (LOI) to the Chancellor.• State Regents staff will prepare and sent out systemwide LOI.
2	<ul style="list-style-type: none">• Fill out the technical transfer section (C) on the cooperative agreement forms.• Receive governing board approval and all required signatures.• Submit forms and required attachments* to the chancellor.
3	<ul style="list-style-type: none">• State Regents staff will process the request and send it to the State Regents for approval.
4	<ul style="list-style-type: none">• If approved the technical transfer courses will be listed on the statewide inventory.

**I have earned an Industry Credential and/or
would like to test out of a college course.**

Credit for Prior Learning

Oklahoma recognizes the importance of accepting credit for prior learning (PLA) and utilizes several acceptable methods for validating credit earned outside the traditional classroom setting.

CREDIT FOR PRIOR LEARNING (NOT CONNECTED TO A CAP) PROCEDURE PROCESS:

STEP	ACTION
1	<ul style="list-style-type: none">• Fill out the CPL (Not connected to CAP) form. <p><i>(Must identify the method of validation used, include all course details, and indicate how many years the assessment is valid.)</i></p>
2	<ul style="list-style-type: none">• Received Signature of Chief Academic Officer.
3	<ul style="list-style-type: none">• State Regents staff will process the request and if appropriate post the assessment/courses to the statewide inventory.

VALIDATING PLA CREDIT

ONE:
ACE Recommendations

TWO:
Use of the systemwide assessment inventory of industry, technical, and other assessments associated with a Military occupation.

THREE:
Univ. of State NY's
College Credit
Recommendation
Service (CCRS)

FOUR:
Standard exams such
as AP*, CLEP, and
DANTES

FIVE:
PLA credit awarded and
transcribed by another
institution

SIX:
Portfolio using CAEL or
other standardized
guidelines

SEVEN:
Courses delivered on the
main campus and
transcribed by the Oklahoma
School of Science and
Mathematics (OSSM).

EIGHT:
International
Baccalaureate (IB)
program

NINE:
Institutionally prepared
assessments developed
by qualified faculty with
content expertise

TEN:
Systemwide technical
assessment inventory
(part of the CAP
program)

*State Regents' policy
requires credit
to be granted for a
3 or higher on the AP
exam

Credit for Prior Learning
is transcribed when
the student completes
12 credit hours at the
awarding institution.

**Receive credit for knowledge gained
outside the traditional classroom setting!
